50 There were 9 schools in the State last year, this year 1 new school opened at Muche in Yellur Taluka.

1 Maindargi school is Anglo Vernacular, teaching English up to the third Standard and Marathi up to the sixth Standard and other Vernacular Schools teach up to the fourth Standard except Vadgaon which teaches up to the Vernacular fifth Standard. The Urdu school is counted amongst the Vernacular Schools.

2 The number of boys attending schools is very small in proportion to the population but it is to be remembered that the population is chiefly agricultural who have no taste for learning. Therefore the school attendance does not increase. No more schools are needed as the villages are not large enough to maintain any. All these schools are under supervision of the British Educational Department. Low caste boys attend these schools. It is in contemplation to open a seperate school for them if a sufficiently large number of childern will be found willing to attend.

50 There were 11 schools in the State as last year.

The schools are under supervision of the British Educational Department, low cast boys are admitted. This year the results of the examination of these schools are generally good.

CHAPTER VIII MISCELLANEOUS

51 There are two libraries in the State one at Wadgaum and the other at Maindargi.

52 On account of partial failure of rain during the last monsoon, the crop in the Maindargi Taluka fell short and consequently there was scarcity. Orders were given, therefore, to open relief works, but people did not resort to them as the want was not greatly felt But Takawi to the amount of Rs. 6000 was given to cultivators to enable them to purchase seed and fodder for cattle. In this way relief was given to those whose means were greatly reduced.

53 When plague broke out in Bombay and Poona during the year, quarantine was established at Dudhni on the G. I. P. R. in Maindargi and Wadgaum Taluka also, in order that it may not be imported in the state.

54 There are some institutions under the superintendence of the state as shown below.

1 The late Trimbakrao Abasaheb, uncle of the present chiefs, kept apart a sum of Rs. 11390 with a request, that the interest there on should be spent in the worship and Ootsaha of Raghavagi at Kurundvad, which is being done accordingly.

2 The late Trimbak Krishna Parachure Mamledar at Wadgaum deposited Rs. 1500 at 6 per cent, with instructions that the interest be spent in feeding poor students, who beg in the summer which is being done at Kurundvad annually.

3 Bhimi, a public woman, daughter of Amani, who lately died, has deposited Rs. 3000 at 4½ per cent with a request that the interest should be spent in feeding 12 Brahmins on the 12 th of every fortnight in the temple of Dattatreya at Kurundvad It will be done when the interest accrues for twelve months.

55 The Local fund cess is not levied in the state this year. It is to be regretted that a sum smaller than the previous year was spent on public works. But the expenses during the year were great on account of scarcity; it was necessary to give Takavi to cultivators; a large sum could not, therefore, be spent on public works.

56 There are two Branch Post Offices one at Maindargi and the other at Dudhni. Duties of the first are performed by the school-master at Maindargi.

57 The State records are in a satisfactory state.

58 There is a type press at Kurundvad for printing official work.

59 Commerce does not seem to have prospered more than in the preceding year, though it is now made quite free from any taxes.

60 I am directed by the Chiefs to express their heart felt and sincere thanks to Col J. W. Wray the Political Agent Kolhapur and S. M. Country and to yourself for the kind advice received from time to time on the Administration of the State.

I have the honour to be,

DIAMOND JUBILEE

The 21 st and 22 nd of June 1897 were observed by the Chiefs and their subjects as they observed their great festivals.

All the Offices and Schools in the State were given holidays and all the State buildings and private houses were tastefully illuminated and fire-works let off.

Children attending schools, both State and private, were treated to sweetmeat.

The choughada in the palace at Kurundvad was played every third hour as is done on great ceremonies.

A Durbar was held by the Chiefs at Kurundvad which was attended by all the male members of their family and by all relations, kinsmen, officials, mankeries, dependents, and gentlemen in the town. The Chiefs were sorry for the absence of their cousin, the Senior Chief, who was at Angole near Belgaum, but his 2 sons attended accompanied by the relatives and the state officers &c.

Mr. H. L. Gadagkar representing the Political Agent, having handed over to the Chiefs, kalitas received from the Government, they were read and translated to the assembly. He was requested to convey their thanks to the Government assuring of their loyalty and attachment.

Ganpatrao Bapusaheb then delivered a speech expressing the many good qualities possessed by Her Majesty, thanked Her, for the many benefits conferred on Her subjects, the privileges given to themselves and the peace they enjoy.

He concluded by praying that Her Majesty may enjoy long life and celebrate a third Jubilee early in the twentieth century. Pansupari and Atargulab were then distributed and fire works were let off.

Similar Darbars were held at Maindargi by the Karbhari and at Wadgaum by the Mamledar.

The palaces at Kurundvad, Maindargi and Wadgaum were illuminated.

Two prisoners, one a life convict and the other under going a long term of imprisonment were released.

The Chiefs, desirous of a permanent memorial of the Diamond Jubilee, have sanctioned the opening of a dispensary at Wadgaum and constructing roads between Wadgaum and Angole on one side and Shahapur on the other.

The chiefs joined with all other S. M. Country chiefs in sending a joint congratulatory address and a joint congratulatory telegram to Her most gracious Majesty on this happiest and auspicious occasion. The address was engrossed on vellum and sent in a casket.

Nos 1 to XVII 2 The usual Statements as per margin accompany.

Sir

I have the honour to submit the Annual Administration Report for the state of Kurundvad Junior, for the year 1899-1900 ending 31 st March 1900.

Nos 1 to XVII. The usual statements as per margin accompany.

CHAPTER I. POLITICAL.

2 The state was divided in 1855, since which the junior chiefs have been kindly treated in the same way as the other ruling members of the Patwardhan family.

The late Ganpatrao Bapu saheb having returned from a long tour of pilgrimage to Banaras died suddenly of Angina Pectoris on 29 th July 1899 as was stated in the last report.

The late Ganpatrao Bapu Saheb, who was entrusted with the Administration of the state having died the Political Department asked who should be the next Administrator. The matter is under the consideration of Government. CHAPTER III.

PROTECTION.

Legislation. 8 During the year under report Post Office Act No. VI of 1898 and Telegraph Act No. XIII of 1885 were introduced into the State.

Military force. 9 (*a*) There is no military force in the State.

Police. (*b*) The number of police on service was the same as that of the last year. Appendix VI will show particulars.

10 Appendix VII and VIII will show the results of the work done by the police, value of property stolen and recovered, and number of crimes committed during the year. On the whole the work done by the police was somewhat satisfactory. The proportion of property lost to property recovered not being satisfactory, the police is ordered to be more vigilant.

There were 120 complaints made to the police during the year, out of which 53 were dismissed as either groundless or because the offenders could not be traced; 11 were under investigation and 122 arrests were made in 56 cases.

Out of 122 accused arrested, 103 were sent to the magistrates in 46 cases and 19 were discharged in 10 cases.

The magistrates punished 58 accused in 39 cases and discharged 17 in 5 cases. The arrears at the close of the year were 2 cases with 28 accused in them.

11 Appendix IX will show the particulars of cases heard and disposed of by the magistrates.

There were two murders and two robberies committed during the year. The ratio of the police to the area of the State and to the population during the year was 1 police to $1\frac{3}{4}$ square miles and 1 police to 507 souls.

APPELLATE COURT.

16 Statement XI shows the particular of the results of appeals disposed of by the Appellate Court during the year under report.

17 During the year of report two accused persons were received from the British Districts for trial. No surrenders were made during the year.

18 There was no want of reciprocity on the part of the neighbouring States in the extradition of offenders, but the same cannot be said of the State of H. H. the Nizam from whom it is often difficult to get an accused person for trial.

19 There is one jail at Kurundwad under the general supervision of the Karbhari. There are two lockups, viz., one at Wadgaon and the other at Maindergi. The details under this head will be found in Appendix XII.

20 The prisoners, who were sentenced to rigorous imprisonment were employed on out-door work. There was no offence committed against jail discipline during the year under report.

21 The health of the prisoners was good. They were treated in local dispensary when sick. One prisoner in the jail at Kurundwad died of cholera on 27th May 1900.

The cause of the arrears being so large was that the Sessions cases and Criminal appeals in a large number being long pending, they were all disposed

of. Besides many of the parties in ihe Civil appeals being dead, notices were to be served on their heirs residing out of the State. As they were not returned timely, the appeals could not be heard.

There were no miscellaneons applications in the Appellate Court during the year; the one in arrears was heard and disposed of.

The total receipts from stamps amounted to Rs. 4036–10–9 during the year against Rs. 3206 in the preceding year.

Nos I to XVII The usual statements as per margin accompany.

CHAPTER I

Political.

2 The State was divided in 1855 since which the Junior Chiefs have been kindly treated in the same way as the other ruling members of the Patwardhan family.

3 Shrimant Bhau saheb and Shrimant Daji saheb had been to Bombay during the year under report. Shrimant Daji saheb had been to Yellur Taluka also on his annual tour.

CHANGES IN THE ADMINISTRATION.

4 During the year under report Mr. B. P. Pandit was appointed State Karbhari to look after State affairs for one year.

No new laws were introduced in the state during the year under report.

Condition of the people.

In both the Talukas of the State crops were in a good condition owing to timely showers of rain. It was at Yellur, a village in the Yellur Taluka that a little damage was done to rice crop owing to excessive rain almost at the end of the season. Plague prevailed in a few villages in both the Talukas. There was no other epidemic and the condition of the people was on the whole tolerably good. There was neither perceptible rise nor fall in the prices of food-grains.

CHAPTER II

The Administration of Land

All the state villages have been surveyed by the Government Survey Department and the revenue is collected according to the new assessment.

The Akarbands of Dumala villages are not yet received from the Survey Department. They are being prepared there.

5 The following table will show the area of waste land brought under cultivation during the year.

1- The late Trimbakrao Abasaheb has kept apart a sum of Rs. 11390 with a request that the interest there-on should be spent in the worship and Utsave of Shri Raghavgi at Kurundwad. The interest was accordingly utilized.

2- Trimbak Krishna Parchure late Mamlatdar at Wadgaon deposited Rs. 1500 at 6 per cent with instructions that the interest on the same be spent in feeding for one month in summer begging Brahmin students. This year such students were fed.

3- Deceased Bhima the daughter of a public woman named Amani deposited Rs. 3000 at 4½ per cent with a request that the interest there-on should be spent in feeding 12 Brahmins on the 12 th of every fortnight in the temple of Shri Dattatraya at Kurundwad. Accordingly during the year under report Brahmins were fed but owing to the break-out of plague at Kurundwad the feeding was put a stop to and it was recommenced when the plague stopped.

49 There are two Branch Post offices, one at Maindergi and one at Dudhani. Duties in the former are performed by the school master at Maindergi.

50 State records are kept in a tolerably good state.

51 There is a type press at Kurundwad for printing official work.

52 Commerce does not seem to have prospered more than in the preceding year, though it is made quite free.

53 Durbars were held at Kurundwad, Wadgaon and Maindergi on account of the Corronation Ceremony of His Most Gracious Majesty King Edward VII. Emperor of India; poor people in both the Talukas of the State were fed and clothed. 5 prisoners from Kurundwad jail were released. Illuminations were made in the whole State and a bon-fire was made and kept burning on the hill of Rajahansa-gad at Yellur. All the public offices were closed for 8 days; sweetmeat was distributed among school children. The expense incurred on account of all these items amounted to Rs. 423-3-3. Besides remissions of revenue assessment were granted to some rayats. These were about Rs. 5424.

I am directed by the Chiefs to express their heart-felt and sincere thanks to the Political Agent Kolhapur and S. M. Country and to yourself for the kind advice received from time to time on the Administration of the State.

I have the honour to be

sir

Your most obedient servant

Nos I to XVII. The usual statements as per margin accompany.

CHAPTER I

Political.

2 The State was divided in 1855 since which the Junior Chiefs have been kindly treated in the same way as the other ruling members of the Patwardhan family.

3 Shrimant Bhausaheb had been to Bombay, and Shrimant Bhausaheb and Dajisaheb had been to Poona, Mudhol and Jamkhindi during the year under report. Shrimant Dajisaheb also had been to Yellur Taluka on his usual tour.

CHANGES IN THE ADMINISTRATION

4 During the year under report the term of appointment of Mr. B. P. Pandit as the State Karbhari was extended for one year more. Mr. V. R. Sangaonker was appointed Mamlatdar of the Yellur Taluka for one year. The budget of the State was sanctioned and the head clerks in the offices of the Karbhari and in the Mamlatdars of Yellur and Maindergi Talukas were appointed.

No new laws were introduced in the State during the year under report.

Condition of the people

In both the Talukas of the State early or Kharip crops were in a good condition; a little damage was done to rice crops owing to excessive rain. Plague prevailed in a few villages of both the Talukas. Most of the inhabitants of the affected villages evacuated their homes and lived in huts on open ground out-side their villages. The plague patients were under the proper medical treatment. The condition of the people was on the whole tolerably good.

CHAPTER II

CHAPTER VII

Instruction.

40 The following table will show the number of schools in the State.

Talukas	Number of schools	Description of schools	Number of pupils on roll on the 31st March 1903	Number of pupils on roll on the 31st March 1904	Daily average 1902-03	Daily average 1903-04	Remarks
Yellur	6	8 Marathi	141	149	116.8	117.4	
Maindergi	4	2 Urdu	279	280	198.2	206.9	
Total	10	10	420	429	315	324.9	

The cost of maintaining these schools amounted to Rs. 1905-3-11 during the year under report

The schools were inspected by the Educational Inspectors of Belgaum and Sholapur. The report received from the Inspector of Belgaum will show that the progress of the Yellur Taluka schools is on the whole good. The schools of the Maindergi Taluka were not inspected owing to the prevailance of plague.

CHAPTER VIII

Miscellaneous.

41 There are two libraries, one at Wadgaon and the other at Maindergi.

42 There are some institutions under the supervision of the State as shown below.

1 The late Shrimant Trimbakrao Abasaheb kept apart a sum of Rs. 11390 with a request that the interest there-on should be spent in the worship and festival of Shri Raghavgi at Kurundwad. The interest was accordingly utilized.

2 The late Trimbak Krishna Parchure Mamlatdar of Wadgaon deposited Rs. 1500 at 6 per cent with instructions that the interest on the same be spent in feeding begging Brahmin students for one month in summer. This year such students were fed.

3 Deceased Bhima the daughter of a public woman named Amani deposited Rs. 3000 at 4½ per cent with a request that the interest there-on should be spent in

feeding 12 Brahmins on the 12 th of every fortnight in the temple of Shri Dattatraya at Kurundwad. Accordingly during the year under report the Brahmins were fed; but owing to the break-out of plague at Kurundwad the feeding was put a stop to and it was recommenced when the plague stopped.

43 There are two Branch Post offices, one at Maindergi and the other at Dudhani. Duties in the former are performed by the school master at Maindergi while the latter has its own post-master. A new experimental post office has been opened this year at Vadgaon and the duties of it are performed by the head master of the school.

44 New appointments of three clerks were made to arrange the office records.

45 There is a type press at Kurundwad for printing official work.

46 Commerce does not seem to have prospered more than that of the preceding year though it is made quite free.

47 Rupees 500 were sanctioned for the destruction of locusts in the Talukas of the State. People in all villages of the State have been duly informed of the various means suggested often by the special British authorities for the destruction of locusts.

I am directed by the Chiefs to express their heart-felt and sincere thanks to the Political Agent Kolhapur and S. M. Country and to yourself for the kind advice received from time to time on the Administration of the State.

I have the honour to be

sir

Your most obedient servant

B. P. Pandit.

Sir,

I have the honour to submit the Annual Administration report of the State of Kurundwad Junior for the year 1904-05 ending 31st March 1905.

Nos I to XVII. The usual statements as per margin accompany.

CHAPTER I

Political.

2 The State was divided in 1855 since which the Junior Chiefs have been kindly treated in the same way as the other ruling members of the Patwardhan family.

3 Shrimant Bhausaheb had been to Bombay. Shrimant Dajisaheb and Bhausaheb had been to Yellur Taluka on their usual tour, and to Kolhapur to see the Political Agent Kolhapur and S. M. C., and the Assistant Political Agent S. M. C. in connection with certain state affairs. Shrimant Jankibai Saheb, mother of Shrimant Bhausaheb, died of plague on the 26th November 1904. Shrimant Appasaheb, third son of Shrimant Dajisaheb, had a son on the 7 th December 1904.

CHANGES IN THE ADMINISTRATION

4 During the year under report the term of appointment of Mr. B. P. Pandit as the State Karbhari was extended for one year more. Mr. Vaman Ramchandra Sangaonkar the Mamlatdar of the Yellur Taluka having reverted to his former service of the Kolhapur State, the head-clerk of the Taluka has been provisionally given his charge.

No new laws were introduced in the State during the year under report.

Condition of the people

In both the Talukas of the State Rubi crops were little damaged owing to the want of sufficient rain-fall. In the Yellur Taluka early or kharip crops were in a good condition, while those of Maindergi Taluka suffered some damage for want of timely rainfall. Plague prevailed in a few villages of both the Talukas. Most of the inhabitants of the affected villages evacuated their houses and lived in huts on open ground out-side their villages. The plague patients were under the proper medical treatment. On the whole the condition of the people was tolerably good
